Hey Dan,

I hope that your holidays went well too. Sorry it took me so long to reply - I really haven't checked my email since before Christmas. As for the Accurun controls, I never had to order them - they were ordered before I was in charge of it. You could probably ask Sandy across the hall (I took the ordering job from her) - she would probably be the person to know. If not, maybe try Joe. Sorry - I wish I could help more.

Sonja
